Lunch

Fit the whole plate inside the corners

Upload

Tips

Lunch

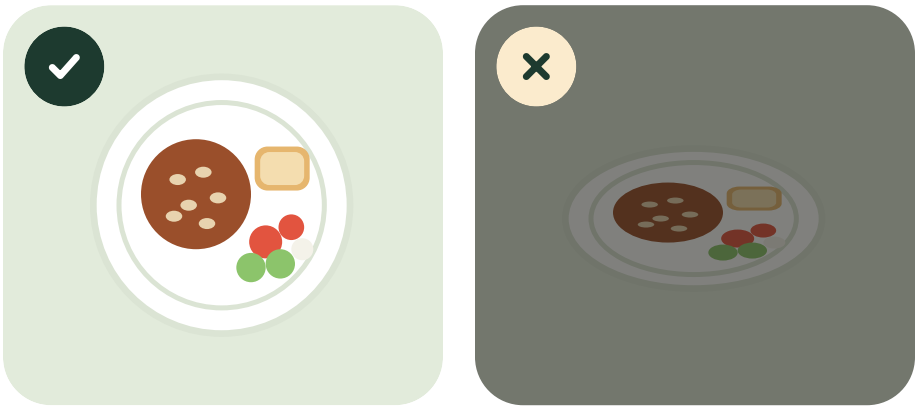

## Fit the whole plate

Keep every food and drink inside the corners. Zalak can only count what it can see.

Skip

Next

Lunch

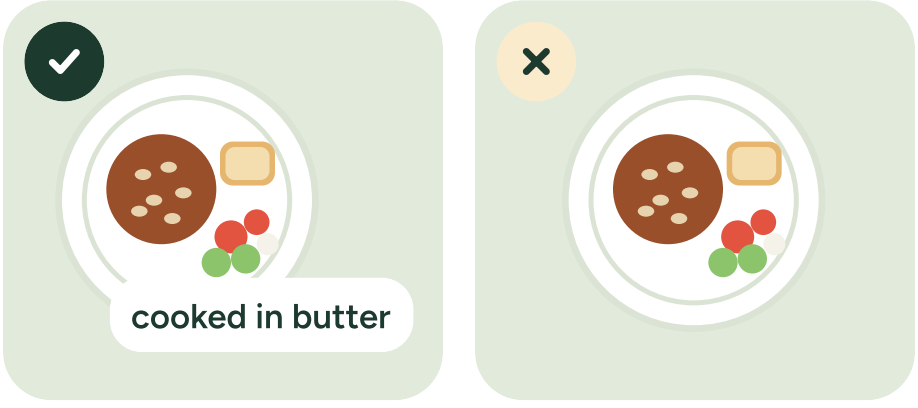

## Good light, from above

Shoot from above in good light. Dark or side photos hide portions.

Skip

Next

Lunch

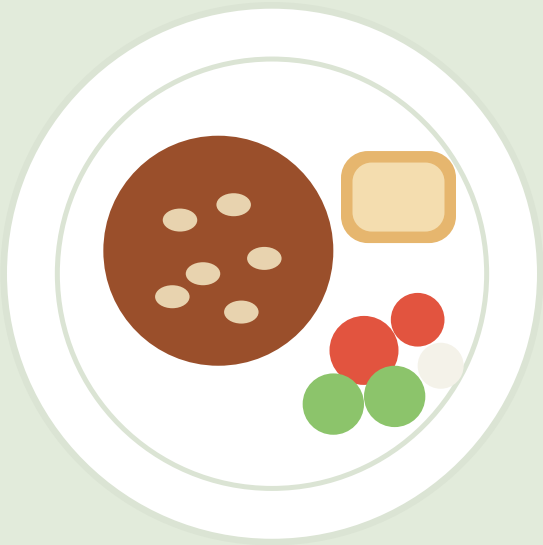

## Add what the photo can't show

A short note like "cooked in butter" or "I ate half" makes the estimate much better.

Don't show these tips again

Got it

Retake

## Anything the photo can't show?

Optional. It helps Zalak with hidden oil, sauces and portions.

e.g. cooked in butter, I ate half

+ Cooked in oil
+ Half portion
+ Sauce on the side
+ Shared dish
